

# Revision of Fees for Non-Insurance Medical Services

At our hospital, in response to recent increases in costs and expenses, and in order to continue providing safe and high-quality medical care, we have decided to revise the self-pay medical fees for non-insured medical services.

We sincerely apologize for any inconvenience or additional burden this may cause, and we kindly ask for your understanding.

■ Effective Date : June 1, 2026 (Monday)

■ Revision Details :

In principle, all current fees will be increased by 10%.  
Click here for details of applicable items and fees →

\*Out-of-pocket costs for insured medical services will be calculated separately based on the medical fee schedule revised on June 1, 2026.

\*To continue providing safe and high-quality care, the self-pay medical fees for non-insured medical services may be adjusted from time to time based on social and economic conditions.

We kindly ask for your understanding and cooperation.
